

GKSA Youth Softball Skills Clinic

The Kingston Kobras Bantam Rep and Select Teams started out as teams made up of raw but enthusiastic 7-8 year-olds. Now, those Kobras teams have evolved into teams of 15-16 year-olds that compete amongst the best in Ontario.

In all that time, this team have received incredible support from the association and the community. So, it's time to give back.

On April 7, 2018, GKSA and the Kobras will be hosting a **fun** skills clinic for kids who love softball and are looking to improve their game. The cost will be only \$10, and it is open to all children who will be playing T-Ball, Jr. Mite, Mite or Squirt this season with GKSA.

Kids who will be playing T-Ball or will be in their first year of Jr. Mite will come from 9:00-10:15 for an introductory fun session, while kids who will be playing Squirt, Mite or who are in their second year of Jr. Mite are invited to come to the slightly more advanced session from 10:30-12:00.
